

OneHealthPort

PARTICIPATING ORGANIZATION AGREEMENT

The "Participating Organization" identified below orders the following "Services" from OneHealthPort:

SERVICES - Include use of the OneHealthPort System ("System") to facilitate the secure exchange of healthcare and other information electronically through identity management and authentication. Services include "Delegated Registration Privileges" which give Participating Organization control of, and responsibility for, confirming the identity of your employees and agents.

- If you do not wish to have "Delegated Registration Privileges", each of the employees and agents you nominate for System IDs will have to undergo individual, on-line identity verification using third party data, or will have to submit written (off-line) applications, which will need to be verified by a Notary Public. If you wish to opt out of Delegated Registration Privileges, please check this box.
